The President's 2011 Budget = Investments in Children

Please forward the ad below to your friends, family, colleagues, and constituents, or feel free to place it in your local paper. The Administration recognizes that we achieve our highest returns on public spending when we invest in kids. Click the thumbnail to see the PDF of the ad.

Wyoming Can Do Better

Children deserve safe and nurturing environments no matter where they are born, including in Wyoming. Too many of Wyoming's children suffer, and in far too many cases die, as a result of a preventable condition--child abuse and neglect.

Federal Stimulus Proposal

What the Federal Stimulus Proposal Will Mean for Children in Wyoming

The economic stimulus recently passed by the United States Congress and signed into law by the Obama Administration will provide significant investment in the health, education, and safety of America's children over the next two years.
